Dear Sir:

The filing receipt issued in this case is in error in that:

1) The amount of filing fee received is incorrect. A check for \$557 was submitted with the patent application (copy enclosed), and;

2) The number of independent claims is listed incorrectly as 2 (it should be 5).

The fee transmittal originally submitted with the application (copy enclosed) correctly shows both the check for \$557 and the number of independent claims as 5.

A corrected version of page 1 of the filing receipt is enclosed.

Please note: If the amount of \$40 (for the assignment recordation) is subtracted from the check for \$557 which was submitted, the filing receipt should show \$517 received as filing fees.

Correction of the filing receipt is respectfully requested.

Respectfully submitted,

Date: April 1, 2002
